## **AFRICAN COMMITTEE OF EXPERTS ON THE RIGHTS AND WELFARE OF THE CHILD (ACERWC)**

### **TERMS OF REFERENCE SHORT TERM CONSULTANCY TO FINALIZE THE STRATEGIC PLAN OF THE ACERWC 2026-2028**

## **I. Background**

The African Committee of Experts on the Rights and Welfare of the Child (ACERWC/Committee) is a treaty body established by the African Charter on the Rights and Welfare of the Child (Charter) to monitor its implementation. The ACERWC monitors the implementation of the Charter through various functions entrusted to it including consideration of State Party Reports and Communications, undertaking investigation, interpreting the Charter among others.

The ACERWC implemented its Strategic Plan 2021–2025 to guide the execution of its mandate and strategic priorities. At the conclusion of this period, the Committee undertook an evaluation of the Strategic Plan 2021–2025 to assess achievements, challenges, lessons learned, and areas requiring strategic repositioning. The findings and recommendations of this evaluation constitute a key foundation for the Committee's forward-looking planning.

In 2025, the ACERWC commenced the development of a new Strategic Plan for three years aligning its timeline with the AU Strategic Plan covering the period 2026–2028. An initial draft Strategic Plan was developed by an external consultant. While the draft provides a substantive basis, it requires further technical refinement, consolidation, and validation to ensure coherence, results-orientation, alignment with African Union policy frameworks, and collective ownership by the Committee.

In this regard, the ACERWC is seeking to engage a short-term individual consultant to finalize the existing draft Strategic Plan 2026–2028 and to facilitate a two-day validation consultation with Committee Members and the Secretariat. The finalized Strategic Plan will be presented to the Committee at its upcoming 47th Ordinary Session for consideration and adoption.
